

FOSSER ? Premium Special F 5W-30 ? 60l

Hersteller: FOSSER

Produktnummer: 1006601

Verfügbarkeit: Auf Lager

Preis L / St.: 9.40€

Abmessungen: 0.00cm x 0.00cm x 0.00cm

Preis: ~~671,16€~~ 335,58€

Nettopreis: ~~564,00€~~ 282,00€

Short Description

High-Performance Low-Friction Engine Oil for Passenger Car Engines

Beschreibung

FOSSER Premium Special F is a synthetic high-performance low-friction oil of the latest generation. Its excellent cold start behaviour ensures optimum lubrication during the cold start phase.

Special additives ensure high performance even under extreme operating conditions. The product guarantees optimum wear protection and great engine cleanliness. Its exceptional stability allows for extended oil change intervals.

FOSSER Premium Special F with reduced high-temperature viscosity (HTHS 3.0 mPa.s) helps to reduce fuel consumption and exhaust emission CO₂ and thus protects the environment.

Einsatzhinweise:

FOSSER Premium Special F has been specially developed for use in Ford engines. Its in

2.2 l Duratorq-TDCI (from 04/2012) compelling prescribed. For most other diesel engines (Without KA 2009) and 1.9 l TDI it is also recommended.

Spezifikationen:

API SN/CF, ACEA A5/B5

Empfehlungen:

Ford WSS-M2C 913-A, Ford WSS-M2C 913-B, Ford WSS-M2C 913-C, Ford WSS-M2C 913-D, Renault RN 0700

Anwendung:

PKW

Spezifikationen

Schmierstoffe	
Hochtemperatur-Viskosität	30
Niedrigtemperatur-Viskosität	5W
Zusammensetzung	synthetisch
